

Y-12 Safety Lags Behind 1952 Mark

Eight 'Lost Times' Are Recorded Against Six

Y-12ers are lagging behind in their safety performances for the first half of this year as compared to the first six months of 1952, according to records of the Safety Department. The figures show that eight lost time accidents occurred to Y-12 employees from January through June of this year to only six for the same period last year.

However, there was a brighter side to the picture, as the disabling injuries suffered this year only caused 170 days of work lost while the 1952 toll was 195 days.

"Short Cuts" Are Costly

The eight lost time accidents recorded during the first part of this year had varying causes. In at least three of them the blame can be fixed on employees endeavoring to take "short cuts" in doing a job of work instead of taking time to do the task right according to procedures and safety regulations. Other causes include failure to use safe equipment in a safe manner, failure to use protective equipment and unsafe procedure in loading. In one accident no cause was cited, it being one of those rare unavoidable accidents.

Regardless of cause, the eight disabling accidents resulted in a lot of inconvenience, pain and expense to the victims. Repetition of these mishaps during the latter part of 1953 can be prevented if every Y-12er determines to work, think and act safely on the job, whatever it may be.

"Lost Time" Every Month

The 1953 lost time accident record through June shows a disabling mishap in every month so far this year. January, February and March had one lost time accident each, there were two in April, one in May and two more in June. During 1952 there was one disabling accident in January, none in February and March, four in April, one in May and none in June.

At this time in 1952 Y-12ers had completed the first of three Carbide safety periods of working 1,500,000 hours without a disabling accident, this being accomplished from January 5 to April 6, inclusive. So far in 1953 none of these safety periods have been achieved, although on some occasions the time without accidents has been close to the 1,500,000-hour mark.

Minor Injuries Are Fewer

Another encouraging feature of the Safety Department records for the first half of this year is in minor injuries—injuries suffered on the job requiring attention of the Y-12 Dispensary but not sufficiently serious to require a loss of time from work. The 1953 figures show 1,541 such accidents through June against 2,271 the same period in 1952.

So again, all Y-12ers are advised that "accidents don't happen—they are caused"—and can be prevented by careful thought and action.

POISON KILLS LIVESTOCK

The Atomic Energy Commission has discovered that selenium, a poisonous material, is responsible for deaths of livestock that wander into Poison Canyon in Western New Mexico, according to the Santa Fe New Mexican.

Through July 5

Ridge Safety Sticker Period Is Extended

Y-12 motorists with Oak Ridge Safety Lane Stickers that expired on June 30 of this year may use the emblems for the remainder of the year without renewing them, according to a new set up of operations for the Safety Lane announced by the Oak Ridge Police Department. The new set up calls for Safety Lane Inspections to be held twice yearly, beginning the first Monday of both November and May with the stickers issued being good for the six-month period beginning January 1 and July 1.

New Cars Must Be Tested

Of course, Y-12ers and other Ridge motorists acquiring new automobiles or trucks or used vehicles without Safety Lane approval are required to obtain the stickers as soon as possible after purchase. For the convenience of such motorists, the Safety Lane will be open on the first Saturday of each month from 9:30 a.m. to 6 p.m. When the first Saturday of a month falls on a holiday, the lane will be open the following Saturday.

This schedule will see the Safety Lane open on July 11, August 1, September 12 (to avoid the Labor Day week end), and October 3.

Periods Long As Necessary

In the November and May periods of inspection when the Safety Lane will be open daily, the inspection period will last as many days as necessary to give safety tests to vehicles required to have the examination, not expected to exceed 10 weeks.

Injury To Y-12er Causes Lost Time Accident June 27

An eye injury to an electrician in the Electrical Maintenance Department was listed as a lost time accident on June 25 by the Safety Department. Safety's report on the incident follows:

"Employee was wearing safety goggles while at work on June 25 and felt an abrasion under his left eye at the end of the work day. He did not report to Medical until the next day, when he was given treatment twice. On June 27 he was sent to the Oak Ridge Hospital and admitted for hospitalization for an infection."

The Safety Department urges all employees using goggles to be sure and get a correct fit and use the proper type of goggles for the job at hand.

'BLABBERMOUTHS' TARGET

Former Defense Secretary Robert Lovett is quoted by the Washington Post as saying the Justice Department has drafted a bill for submission to Congress that will make it easier to convict "traitors, spies and blabbermouths."

Enthusiastic Y-12 Employees Rapidly Enroll In New Union Carbide Savings Plan; Record Payoff Is Made

July 24 Is Deadline To Change Allocations

Enthusiastic Y-12ers who are eligible to enroll in the new and expanded Union Carbide and Carbon Corporation Savings Plan were busy doing so last week to have their applications in order before the deadline for signing up on Wednesday, July 8. Only those employees who are on vacation or ill will be granted an extension of time past the deadline date and permitted to enroll in the new Savings Plan and have it retroactive to the opening date of July 1. These employees will be asked to make their choice of the alternatives offered in the plan as soon as possible after returning to work.

Seventh Plan Paid Thursday

Equally as enthusiastic were the eligible employees who received checks for their own savings plus Corporation contributions and interest that were delivered last Thursday. More than 90 per cent of Y-12ers eligible to participate in the Seventh Savings Plan of UCC were among the 9,802 Carbide employees in Oak Ridge receiving payments totaling \$6,364,568. This amount represented \$4,935,363 saved by employees in Y-12, K-25 and the Oak Ridge National Laboratory and \$1,429,205 added by the Corporation.

The Seventh Savings Plan payoff last week was by far the largest ever made in the history of the plan's operation for Oak Ridge Carbide employees. In 1951 the total distribution was \$4,774,401.25 to approximately 7,000 employees.

May Change Security Purchases

Attention of eligible Y-12ers is called to the fact that after enrolling in the plan if any change is desired in the allocation of the money to be deposited in either of the two phases of the plan the changes must be made before July 24 to become effective for the current quarter. Changes may be made quarterly thereafter. The total amount of payroll deduction may not be changed, except as

The Heat's On, But Relief Offered At Y-12 Swim Party

Aqua-Bats Of Plant Expected Out In Throngs For Event At Oak Ridge Pool Thursday Night

The heat's on people—but here's a way to beat it.

Aqua-bats of Y-12—those folks of the plant who find solace from the muggy heat in the cooling contents of a spacious swimming pool—are expected to turn out in full force tomorrow night, Thursday, July 9, at the Oak Ridge pool for the first Y-12 Swim Party of the year. As last week's days grew hotter and hotter and sultrier and sultrier, response to the announcement by the Recreation Office that the Swim Party would be held this week was enthusiastic and many groups and families planned to attend the affair, which will begin at 8 o'clock.

Admission By Badge

All that is required for admission of all Y-12ers to the Swim Party is their regular identification badge—and it would also be advisable to wear suitable swimming attire. Of course, all members of Y-12 families—particularly the kiddies—are invited to come along and join in the fun.

An informal program of games and contests will be staged during the party—but not so much as to interrupt the main business of the evening of swimming or just dunking the carcass to gain relief from the heat. These events will be arranged for both youngsters and grown-ups with appropriate prizes for the winners.

Life Guards On Duty

Of course, in case of inclement weather arrangements will be made to postpone the Swim Party to another date—and as much advance notice as possible will be given if such a delay is caused.

For protection of all persons entering the pool regular life guards will be on duty throughout the Swim Party. The usual dressing room attendants also will be on the job for the convenience of Y-12ers desiring this service.

BEEF CROQUETTES ENTREE OF THURSDAY LUNCH

Beef croquettes with parsley sauce will be the entree on the Thursday Special Lunch at the Y-12 Cafeteria tomorrow, Thursday, July 9. The Thursday Special Lunch sells for 50 cents and includes a vegetable, choice of salad or dessert and rolls and butter.

Auburn Professor To Talk At Physics Seminar Meet

Prof. W. L. Alford, of Alabama Polytechnic Institute, Auburn, Ala., and a Carbide consultant in the Y-12 area, will speak at the regular meeting of the Oak Ridge Physics Seminar on Friday afternoon, July 10. The meeting will be held at 3:15 p.m. in the auditorium of Bldg. 4500, Oak Ridge National Laboratory. Professor Alford's topic will be "Cloud Chamber Observation of Heavy Unstable Particles in Cosmic Rays." Y-12ers interested in the subject are invited to attend the seminar session.

GERMAN IS SENTENCED

The United States High Commissioner Court in Berlin has convicted Helmut Goeltzer, German businessman, of illegal possession and attempted sale of six pounds of pure uranium, according to the Associated Press. He was given 10 months.

FOUR BOY SCOUT SONS OF Y-12 FATHERS WILL LEAVE Oak Ridge July 10 for Santa Ana, Cal., to attend the National Jamboree of the Boy Scouts of America at Irvine Ranch. In the group of Y-12ers' sons and parents above are, from left, George W. Flack, Jr., Troop 227, and his parents, Mr. and Mrs. George W. Flack, Sr. Flack is Superintendent of Industrial Relations. Then comes Jimmy Chamblee, Troop No. 325, and his father, John F. Chamblee, of the Alloy Division; John Emler, Troop 227, son of Logan B. Emler, Y-12 Plant Superintendent; Terry Chilcoat, Troop 226, and his mother, Mrs. W. W. Chilcoat, whose husband is in Maintenance Shops. More than 50,000 Scouts from throughout the nation will attend the Jamboree, Oak Ridge sending 38.

Nuclear Physics Talks Set Weekly By Princeton Man

A series of lectures on nuclear physics will be presented weekly by Prof. E. P. Wigner, of Princeton University, in Bldg. 4500, Oak Ridge National Laboratory, to which all interested Y-12ers are invited to attend. The first of the series will be given at 11 a.m., today, Wednesday, July 8. The following talks will be given at the same place and time each Wednesday.

Mineralogy Society Meets Tonight To Hear UT Man

The regular monthly meeting of the Oak Ridge Mineralogy Society will be held at 8 o'clock tonight, Wednesday, July 8, in the Oak Ridge Institute of Nuclear Studies building on Administration Road. Dr. H. H. Walls, of the geology department of the University of Tennessee, will speak on "Volcanic Activity." All Y-12ers and other persons interested in the talk are invited to attend.

Miss Doris Marie Moore

MOORE—WALTON

Hearty congratulations and best wishes for happiness are flowing in to Miss Doris Marie Moore, of the Y-12 Medical Department; and Joseph Rimmer Walton, of the Oak Ridge National Laboratory Isotope Research and Production Division in the Y-12 area, whose engagement was announced last week by parents of the bride-elect.

Miss Moore is the daughter of Mr. and Mrs. Vaughn Moore, of Maynardville, Tenn. Walton is the son of Mrs. E. R. Walton, of Lynch, Ky., and the late Mr. Walton.

The ceremony will be performed at 10:30 o'clock Saturday morning, July 18, at the Chapel-On-The-Hill. The officiating minister will be the Rev. Harley Patterson.

The bride-elect attended Lincoln Memorial University, Harrogate, Tenn., where she was a member of the Kappa Pi Omega Sorority. Walton attended the University of Kentucky and graduated from the Eastern Kentucky State College. He took graduate work at the University of Tennessee.

After a honeymoon trip the couple will live in Oak Ridge.

The following Y-12 employees were patients in the Oak Ridge Hospital last week: Daisy Renner, Laundry; Roscoe B. Carter, John Henry Briggs and Willis Lamb, Maintenance Shops; George W. Wylie, Uranium Processing; Maynard L. Lay, Utilities Maintenance; Everett Richardson, Superintendents; Ralph Haney, Engineering; Alvin L. Austen, Electrical Maintenance; Fletcher DeFord, Research Services; Robert L. Martin, Buildings and Grounds; Jimmie Lee Martin, Janitors.

AUSSIES MAY TAKE LEAD

Reuters News Service reports that the Australian synchrotron to be completed in 1955 is expected to put that country in the lead for two years in the field of high-energy nuclear physics research.

LANKFORD—BRYANT

A wedding of unusual interest to Y-12ers on Saturday, June 27 saw Miss Patricia Ann Bryant, of the Material Control Department, marry Gerald Winton Lankford, of Maintenance Shops. The ceremony was performed at 7:30 p.m. by the Rev. T. M. Megar at the Chapel-On-The-Hill.

The bride is the daughter of Mr. and Mrs. Samuel L. Bryant, 111 Arkansas Ave., Oak Ridge. Her father is with the Y-12 Buildings and Grounds Department and Mrs. Bryant with the Oak Ridge National Laboratory. Parents of the groom are Lyle G. Lankford, of Maintenance Shops, and Mrs. Lankford, of 108 Palmer Road.

Miss Wilma Patton, of Greer, S. C., was organist for the nuptial musical program at the wedding. Vocal selections were presented by Mrs. William Loveless ("Through The Years"), Sabelia Jackson ("Always") and Hugh Peacock, Chattanooga ("Because" and "The Lord's Prayer").

The bride, who was given in marriage by her father, wore a wedding gown of nylon net with fitted bodice and sleeves of imported Chantilly lace with an inset of scalloped lace in the skirt. She wore a scalloped tiara of beads attached to a finger tip veil of illusion. The bride's bouquet was of white roses centered with a white orchid.

Mrs. John William Daniel, sister of the bride, was maid of honor. Attendants were Misses Barbara Moss, Chattanooga; Wilma Gass, Jefferson City; Juanita Brown and Elizabeth Daugherty, the latter a Y-12er. They wore dresses of aqua net and had cascade bouquets of yellow roses. At the ceremony the mother of the bride wore a floor length pink dress and had a white orchid. The mother of the groom wore a floor length blue dress and also had a white orchid.

Flower girl was Josey Mills, who wore a dress similar to that of the bride and carried a basket of yellow roses. Lighting candles at the chapel were Gerald and Geraldine Bryant, twin brother and sister of the bride.

The father of the groom was his best man. Ushers were Duane and Wayne Lankford, twin brothers of the groom; Donald Tidwell, of Y-12; and William Hamby.

Immediately following the ceremony a reception was held at the Starlight Room of the Oak Terrace, which was decorated in pink and green. Serving at the reception were Mrs. Frank Van DeVelder, sister of the bride; Bessie Penland, Joan Howard, Peggy Crews, all of Y-12; Shirley Nussmeyer and Annette Cooke. Music at the reception was furnished by Harry Wester, pianist; and Hugh Peacock and Mrs. Loveless, vocalists.

Out-of-town guests included Mr. and Mrs. Joseph J. Bryant, brother of the bride and his wife; Mr. and Mrs. F. C. Bateson and son, Troy, Jr.; Mrs. W. B. Cosgrove, Mr. and Mrs. W. H. Burton and sons and Mrs. Raymond Moss.

The couple is living in Oak Ridge.

RATHER—SMITH

The wedding of Miss Billie Marie Smith, of the Y-12 Property Sales Department, to Pvt. Jesse Floyd Rather, United States Army, was solemnized at 9:30 o'clock Friday night, June 8. The ceremony was performed by the Rev. Frank Porter, pastor of the Oak Ridge First Methodist Church, at the church office.

Mrs. Rather is the daughter of Mr. and Mrs. William F. Smith, her father being with the Chemical Department of Y-12. Private Rather is the son of Mrs. G. K. Rather and the late Mr. Rather, Route No. 2, Oliver Springs. At her wedding the bride wore a

Mr. and Mrs. Gerald W. Lankford

Pvt. and Mrs. Jesse F. Rather

blue dress with white accessories. Her only attendant, Mrs. Roy Vest, wore a black dress with red accessories. Roy Vest served as best man.

Private Rather will serve a 13-month tour of patrol duty in Vienna, Austria. The bride will remain with her parents during his absence.

The bride is a graduate of Oak Ridge High School in the class of 1949.

Following the ceremony the couple took a brief wedding trip to the Smokies.

GROVES AGAINST SHARING

Big. Gen. Leslie Groves, wartime head of the United States atomic energy project, says this country must not share any atomic information with Britain unless it is to our advantage, according to the Washington News, and then not unless we are certain it will not fall into Russian hands.

Definition—Bachelor, a rolling stone who gathers no boss. Aw right, here we go.

W. D. Petet, of Planning and Estimating, is making a two-week tour of Canada—visiting Quebec and Montreal—after first making a short run down into Mississippi. . . . W. C. Hudson and his wife are vacationing this week—they are returning Mrs. Hudson's parents, who have been visiting in Oak Ridge, to their home in Alabama—then they are going on down to Panama City, Fla., for a visit with a sister.

E. A. Hauther, of the Manufacturing Offices, is spending his two weeks off at home in Knoxville. . . . Irene Turner and her husband, Hugh, planned to spend the Fourth of July week end at Lake Junaluska, N. C.

Kathleen Milligan, of Maintenance Shops, and her daughter enjoyed a week of vacation in Florida.

Property is sorry to lose Mildred Spoon, who terminated to join her parents in Aiken, S. C.

S. M. Liles, of Property Sales, spent his week of vacation in Grafton, W. Va. . . . A. Mitchell has returned from a week of vacation in Danville, Ill. . . . W. A. Nichols is enjoying a two-week vacation catching up on his fishing around home in Harriman.

W. T. McNabb, of the Tool Department, is vacationing up around Newport. . . . Warren Bass is spending his two weeks around Oliver Springs. . . . M. R. Redmon is vacationing at home in Wartburg this week.

Safety extends congratulations to J. E. Temple, who was recently promoted to Plant Shift Supervisor.

Lt. S. F. Sadler, of the Guard Department, is on a two-week vacation at home in Harriman. . . . G. H. Atchley and his family, with L. A. Litton and family are on a two-week tour of the Gulf Coast—visiting in New Orleans, La., and the coastal towns in Florida. . . . M. F. McPherson is vacationing two weeks at home in Knoxville. . . . Capt. Raymond Ledford has returned from a peaceful week of vacation at home in Oak Ridge. . . . J. C. Booher probably got up to Bristol while on a week's vacation. . . . Carl Cogdill and H. H. Neal are vacationing for two weeks. . . . J. T. Byrum has returned from a week of vacation. . . . Get-well wishes are extended to D. I. Davis and to F. H. Hammer, who were on last week's ailing list.

Romance has been flowering again featuring a daughter and son of Y-12ers as principals. The engagement of Miss Kay Eugenia Mason, daughter of C. W. Mason, Research Services, and Pfc. Thomas Paschal Hamrick, son of Paschal Hamrick, Employment; was announced last week. The

wedding is planned for Sunday, August 9, at the Robertsville Baptist Church.

Donald A. Matlock, son of O. D. Matlock, Research Services, is completing his AF basic airman indoctrination course at Lackland Air Force Base. This basic training is preparing young Matlock for entrance into Air Force technical training and for assignment in specialized work.

Insurance and Housing is missing Madeline Edmondson, who terminated last Friday to make her home in Cincinnati, Ohio.

Lee Johnson, of Chemical, is spending two weeks of vacation in Texas. . . . R. J. McAlister and R. F. Phillips also are vacationing for two weeks. . . . J. W. Stair, C. F. Christie and G. A. White are on a week of vacation.

Roy Ballew, of the Steam Plant, and his wife are visiting her folks this week in Corbin, Ky. . . . A. H. Norman and his family are visiting with his brother in Jacksonville, Fla., this week. . . . W. M. Simpson is spending his two-week vacation around home in Oliver Springs. . . . Cephas Brewer is vacationing with his folks in LaGrange, Ga., for two weeks.

Folks in the Development Division were sorry to learn of the illness of George Strasser's mother in Nashville. . . . Congratulations go to John Googin and his wife, Janet, a former Y-12er, who are the proud parents of a baby girl born July 1, in the Oak Ridge Hospital.

Frank Fuis, of Engineering, and his family are spending two weeks in Missouri. . . . John J. Moynihan is visiting his folks in Boston, Mass., this week. . . . Joe E. Miller and his family are seeing all the sights in New York during his two-week vacation. . . . C. L. Scalf enjoyed his week of vacation loafing around home in Oak Ridge.

The Training Department welcomes E. P. Comer to the roster. Comer received his A.B. degree from Carson Newman College in Jefferson City and his master's degree from Columbia University in New York.

Roy Wells, of Stores, and his wife, Dorothy, along with the family are vacationing in the Smokies this week. . . . G. L. Unthank is spending his vacation in West Virginia. . . . Georgia Rader, her sister and brother-in-law, Mr. and Mrs. Joe Wisecarver, are on a two-week motor tour of the North—all the way up to Canada. . . . Paul Brownlow is spending his two weeks with his mother and father in Johnson City. . . . C. A. Queen is vacationing down at Daytona Beach, Fla., for two weeks. . . . B. E. Reneau and his wife are visiting relatives in Athens, Tenn., this week. . . . R. L. Babb and his wife, Nell, are off to Washington, D. C., and New York City for two weeks. . . . The department welcomes J. L. H. Henry and B. R. Cobb to the roster.

A. F. Ogden, of Buildings and Grounds, is on a grand tour of Florida for two weeks—he plans to stop at Fort Pierce and at West Palm Beach for some fishing—there probably will be a shortage of fish when he leaves for home. . . . Rufus Hill is real sad at losing his baseball glove—a Mickey Mantle model—on June 27—and

MARIE TILLEY, RUBY JONES AND MARTHA BEALS, OF Product Processing, were co-hostesses at a stork shower for Delora Jenkins at the home of Mrs. Tilley, 117 Ogontz Lane, Thursday night, June 25. The honoree and guests were all members of the department. Mrs. Jenkins is shown seated by Mrs. Tilley's daughter, Sheila. Standing from left are Marie Tilley, Ruby Jones, Martha Beals, Mary Hickman, Dora Bagwell, Sylvia Hatmaker and Margaret Baker.

Continued on Page 4

Two Y-12 employees became fathers of babies born recently at the Oak Ridge Hospital. They were—

Robert S. Toomey, Chemical, girl, June 26.

J. M. Googin, Development, girl, July 2.

STRONG CONTENDERS IN THE Y-12 PLANT SOFTBALL League are the Peons, shown above. They finished in second place in the first half of the season. In front row, from left, are C. J. Haun, Bill Helton, Ralph Wollan, Sewell Brown, Bill Carden, Ray King, and Jerry Lambdin. Standing are Bob Rutherford, Rudy Pletz, John Gallimore, Roy Roberts, J. D. Hall, Ray Whitehorn and Harley Law. Squad members absent when picture was made were James McMillan, Tally Livingston and Art Stewart.

Y-12 Independence Day Golf Meet Sees Close Competition In Events

The Y-12 Independence Day Golf Tournament for plant divot diggers saw some close competition out at the Oak Ridge Golf and Country Club last Saturday as quite a throng of players turned out for the event.

Carl Dorr, day in and day out one of Y-12's most consistent and leading club swingers, posted a sparkling 72 to win medal honors in the tournament. Jake Burchfield was his closest opponent, four strokes back at 76.

A merry race developed for low handicap honors with Paddy Peckman, the old baseballer and bowler switching to the links for the occasion, posting a 65. His scratch score was 85 and handicap was 20. Close behind, with handicap and scratch scores, were Fes Lowry 66-86; Jack Spears 67-79; H. D. Duncan 68-84; and John Smith 69-98.

In the hole-in-one event Harvey Saylor took first place by placing his tee shot eight and three-quarter feet from the pin. George Oliphant was second with an 11-foot approach.

Jay Holzknicht won the blind bogey feature with a 78 and Art Hines took the entry prize, which was drawn for by the contestants.

Chippers Champs Of Golf League

The Chippers, third place team in the regular playing season of the Y-12 Plant Golf League, trimmed the Rough Riders, fourth place team, in the final round of the Shaughnessy playoff for the league championship for the first half of the season. The Chippers handed their opponents a 24 to 12 defeat. Art Hines and Carl Dorr each had a 38 scratch score, but the former's handicap of four strokes gave him a net 34 against 37 to lead the Chippers in their triumph.

The scores for the other two Chippers were Harvey Saylor 42-35 and Bob Orrison 45-37. Clyde Bowles led the Rough Riders with 41-36 and was followed by George Mitchel 45-39, Larry Koontz 46-39 and Harold Ratjen 49-40.

10 Years Service

Congratulations to the following Y-12 employees who will complete 10 years of Company service within the next few days—

- Charles H. Nicely, Guard, July 10.
- Scott F. Sadler, Guard, July 10.
- Mildred Crass Mangrum, Product Processing, July 10.
- Albert V. Bible, Stores, July 12.
- Clyde P. McLemore, Maintenance Shops, July 12.
- Lula Bell Justice, Transportation, July 12.
- George A. May, Guard, July 12.

Engineers, UCJVs Forge To Plant Loop Lead With Two Wins

49ers Official Victors In First Half; Second Round Gets Fine Start

The rampaging Engineers got off to a flying start in the Y-12 Plant Softball League last week by spanking the Colts 13 to 5 and Maintenance 14 to 2. Goosie led the Engineers to victory over the Colts, getting four base knocks and Hilliard got two bingles for the losers. Joe Kidd pitched a three-hitter at Maintenance and got himself two hits to lead the victory parade. Jones, Maintenance shortstop, continued his hitting spree by getting two hits for the losers.

Hopper Outpitches Sise

The Uranium Control Junior Varsity lads annexed two victories to start the second half in fine style by nipping the 49ers 3 to 2 and edging ADP 13 to 12. Edgar Hopper bested Ed Sise in a pitching duel for the victory over the 49ers. Hamil cracked out two hits to pace the winners and McPherson, 49er centerfielder had the honor of clouting the first home run at Pinewood this season when he blasted a drive over the left field fence. In the UCJV victory over ADP Hopper got two hits for the winners and Clevenger slammed a home run for ADP.

The 49ers nipped Maintenance 3 to 2 in a makeup game. This win officially crowned the 49ers as the first half winners. Walton, Maintenance pitcher and Sise, 49er chunker, hooked up in a neat pitching duel with the 49ers pushing across the winning tally in the bottom of the eighth inning. Jones led the Maintenance hitting, banging out two safeties. The 49ers clipped the Peons 10 to 9 in a thriller, the score was knotted at nine up in the bottom of the sixth when the 49ers pushed across the winning run in the top of the seventh inning. Justice got two hits for the 49ers. Whitehorn and Gallimore got two hits each for the Peons.

Plant Protection Splits

Plant Protection divided a pair during the week, whipping the Colts 14 to 8 and losing to Maintenance 11 to 10. Hall cracked a home run in the win over the Colts. Maintenance had their big guns booming and gained their first victory of the second half over the Plant Protection lads in a slugfest.

In the last game of the week, ADP slipped by the Peons 10 to 9 as Riddings, ADP first baseman, slammed two long home runs to lead the hitting parade for ADP. Livingston got two hits for the Peons.

The schedule for the week of July 13 follows:

Monday, July 13—6:15 p.m., Engineers vs Peons. 7:45 p.m., UCJV vs Plant Protection.

Tuesday, July 14 — 6:15 p.m., 49ers vs Maintenance. 7:45 p.m., Colts vs ADP.

Wednesday, July 15—6:15 p.m., Peons vs UCJV. 7:45 p.m., Engineers vs Plant Protection.

Thursday, July 16 — 6:15 p.m.,

Smith Tops Quinn In Tennis Tussle

Only one match was played in the Y-12 tennis ladder competition last week because of rainy weather. In this engagement R. Smith defended his seventh place on the ladder by repulsing the challenge of H. Quinn, 6-3, 6-3. The ladder standing now is John Boyd, Frank Ballenger, W. C. DeMarcus, Herb White, Lee Horton, A. Cox, R. Smith and H. Quinn.

Y-12 SPORTS

Y-12 Pistol Team Fourth In Tourney; Huddleston Stars

The Y-12 Pistol Team, Oak Ridge champions, did right well for themselves in the Tennessee state tournament held recently in Nashville, finishing fourth in a large field of teams with crack shots from all parts of the state. The Memphis Navy team took first honors, followed by a Nashville team, Sewart Air Base, Y-12, K-25 and Atomic Energy Commission from Oak Ridge.

Garfield Huddleston, former national championship pistol artist, was the only Y-12er to win an individual medal in the state tournament, the Y-12 Guard winning fourth place in the grand aggregate scoring for the event. He also took first place in the .38 calibre slow fire, timed and rapid fire events in the tournament.

Harry Hoy, captain of the Y-12 team, announced last week that firing in an Oak Ridge Summer Pistol League would begin soon. Y-12ers wishing to try out for the plant team are urged to communicate with J. C. Ezell, Bldg. 9737, telephone 7244; or John Gallimore, Bldg. 9202, telephone 7580. All candidates will be welcomed and given an opportunity to fire for record and a place on the team.

Orioles Like Dodos Against Hospital

Manager Elmore Koons had declared that his Y-12 Orioles, the plant slow pitch team, looked more like Dodo birds last week as they dropped an 11 to 3 decision to the Oak Ridge Hospital team.

"We can't fly on one wing," moaned the manager as his team collected but four hits off Hi Africk, Hospital hurler, "so there is no joy in Mudville tonight."

The Orioles will attempt to add the other wing tonight, Wednesday, July 8, when they fly against the Jewish Congregation blooper boys at 6 p.m.

Team	R	H
Orioles	010 002 0—	3 4

Cards And Athens Will Clash Saturday In Softball Feature

Robins Play Canton Girls Sunday; Y-12 Men Drop First League Tilt

Y-12 and other Oak Ridge softball fans that missed the thriller in the finals of the Knoxville Invitational Tournament when the Y-12 Cardinals nosed out the Athens Indians by 4 to 2 will get a chance to see a return engagement between the teams come Saturday night at Midtown No. 1 diamond. An all-star attraction has been arranged for the occasion with the K-25 softies meeting a strong Birmingham team in a preliminary attraction starting at 7 o'clock and the Cards taking on Athens immediately afterward.

Women In Twin Bill

Another twin bill, this one featuring feminine teams, will be staged at Midtown No. 1 on Sunday afternoon, July 12. The lassies from the Champion Paper Mill Co. at Canton, N. C., will invade Oak Ridge to play both the Y-12 Robins and the K-25 Bluebelles. The K-25 girls will get the first crack at the invaders at 1 p.m. with the Robins getting into action at 2:30 p.m.

In Knox-Ridge League competition the Cards are slated to play Ashe Hosiery Mills at 9 o'clock Friday night, July 10, at the Oak Ridge park. On the following Tuesday night, July 14, the Cards will take on their old rivals from K-25 at 7:30 p.m. The Robins are scheduled to go to Knoxville for 7:30 p.m. game tonight, Wednesday, July 8, against the Vestal team, first half of the season winners. The Robins topped the South Knoxville girls in their last outing. Then on Friday night the Robins will be hostesses to the Bluebelles of K-25 at 7:30 p.m. at Midtown, No. 2.

Loy's "Gopher Ball" Costly

Well—it had to happen sometime—so the Cards took the first chance of the second half of the Knox-Ridge loop season to drop their first league decision of the year. The Oak Ridge Amvets turned the trick on the Y-12ers with a 3 to 2 victory last week in a well-played battle in which both teams showed lots of hustle and the triumph was well-earned by the veterans. The payoff came in the top of the fourth inning when Allen, who had whiffed twice previously, found one of Bobby Loy's "gopher" balls to his liking and blasted it out of the park for a homer with two on. The Cards tried hard in their half of the fifth but fell one run short and couldn't catch up on George "King Kong"

Continued on Page 4

Woodpeckers Find AEC Tough On Bills

The dull bills of the Y-12 Woodpeckers couldn't dent the Atomic Energy Commission softballers in an Oak Ridge Recreation League game last Thursday night and Manager Avery Kendig's lads went down to a 6 to 3 defeat. The game rocked along fairly evenly in a two-all deadlock until the fifth inning when the AEC worthies hopped on Joe Kidd for four runs.

"I'm goin' to get me a grindstone and sharpen up those Peckerwoods' bills," threatened Manager Kendig after the game. "We play the Elks Thursday night, July 9, and they'd better leave their horns at home or they will think we brought along our riveting machines."

The line score of last week's game follows:

Team	R	H	E
Y-12	100 101 0—	3 6 3	
AEC	200 040 x—	6 8 3	

Kidd and Hopkins. Teno and Stuart.

Plant Loop Bowling Averages Shrink; B Keglers Tops

Groppe

Hart

From the files of the Y-12 Recreation Department comes a list of interesting vital statistics for all enthusiastic Y-12 kegglers and keggerettes, of which there are many.

Schierbaum

Peckman

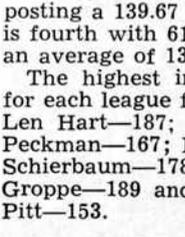

The average score for each male bowler in the four Y-12 plant leagues last season was 142.99. In 1951 the average for each male bowler was 145.65 so the average score has slipped 2.66 during the past two seasons.

The women's average in the Y-12 league this year was 112.60, compared to 118.45 during the 1951 season; this is a 5.85 drop for the lassies.

A breakdown of the four men's leagues shows the B League with the highest average with 89 bowlers posting an average score of 152.04. The D League is second with 72 bowlers showing an average score of 140.69. The E League is third with 86 bowlers

posting a 139.67 and the C League is fourth with 61 bowlers showing an average of 137.19.

The highest individual average for each league follows: B League, Len Hart—187; C League, Paddy Peckman—167; D League, George Schierbaum—178; E League, Al Groppe—189 and W League, Nita Pitt—153.

Enthusiastic Y-12ers Enroll In New Plan

Continued from Page 1
 provided in the plan's regulations, but a realignment of purchasing of U.S. Savings Bonds or Union Carbide stock may be made in this manner if employees so desire if the privilege is exercised before July 24.

The first deductions from pay checks for the new UCC Savings Plan will be made from checks delivered to hourly and weekly paid employees on Friday, July 17. At that time deductions will be made for two weeks, those being the periods beginning June 29 and July 6. After the July 17 pay checks, the deductions will be made every week as directed by the employees. The deductions for monthly paid employees who enrolled in the plan before July 8 will be made from the pay checks delivered on Monday, July 27.

As pointed out in the UCC handbook on the new Savings Plan, that answers the many questions concerning the new features of the plan, employees with less than one year of Company service will be notified by the Payroll Department before their work anniversary date so that Y-12ers who desire to enroll in the plan may do so at the earliest possible time. One year or more of Company service is required for enrollment in the General Savings Fund of the plan and three years or more to enroll in the Personal Savings Account. Every employee, on his first anniversary date of employment, will be given literature describing all phases of the UCC Savings Plan to consider before enrolling.

The new UCC Savings Plan now offers Carbide employees the flexibility of both a short and long range savings program. The Personal Savings Account offer is a feature added to the former plans in which savings may be invested in U.S. Savings Bonds, Union Carbide stock or in cash. Withdrawals may be made under certain conditions described in the Savings Plan descriptive literature. The General Savings Plan is more similar to the former Savings Plan of the Corporation and pays off automatically every two years. An attractive feature of the entire plan is that no new enrollment is necessary every two years for Y-12ers desiring to continue their savings as long as employed by Carbide.

The information contained in the Savings Plan literature is important to all Y-12ers enrolling in the plan now or in the future and careful reading of provisions of the program is urged before any final step is taken.

Y-12er Elected Treasurer Of Quality Control Group

Ronald D. Smith, a junior statistician in the Y-12 Uranium Control and Computing Department, has been elected treasurer of the Tennessee Section of the American Society for Quality Control. He is the only Oak Ridge officer of the group named at its recent election meeting. About a dozen Carbide employees in Oak Ridge are members of the comparatively new organization, which is rapidly growing.

Attendance Record

Dept.	MAJOR LEAGUE		
	Percentage Absent	More Than 50 Employees Scheduled	Standing 6-21-53

2144	5.6	13	10
2096	5.8	14	14

Group absentee percentage was 2.9 per cent, .2 per cent higher than the preceding week.

The plant average for the week ending June 28 was 2.4 per cent, remaining the same as the preceding week.

East Portal Pay Checks Delivery Time Corrected

Through an inadvertent omission in The Bulletin last week it was stated that employees regularly receiving pay checks at the East Portal but who do not pick them up during pay hours could only receive them at the Paymaster's Office from 4:15 p.m. to 4:30 p.m. This was in error. The undelivered East Portal checks may be obtained at the office of the Paymaster, Bldg. 9704-2, from 8:15 a.m. to 2 p.m. as well as the 4:15 p.m. to 4:30 p.m. period. The remainder of the schedule published for pay check distribution at the portals and Paymasters' Office, Bldg. 9704-2, was correct.

White Wing Road Repairs Announced By Department

State Highway Department authorities have announced that the White Wing Road from the Clinch River to U.S. Highway No. 70, soon will be repaired with heavy asphalt patching. Many Y-12ers use this road on the way to and from work who will be glad to hear this news. The authorities also announced that plans are in the making for full resurfacing of the road with a two-inch asphalt coat.

Wife: "I'll admit that I was an ignorant fool when I married you."

Husband: "I'll admit it too, dear, but I was so enamoured at the time that I didn't notice it."

Absent-mindedness causes many pedestrian deaths.

Kids Fishing Rodeo Is Set For August 29

The Anderson County Sportsmen's Club recently announced that it is sponsoring a Kids' Fishing Rodeo, on August 29, at the Club Pond for children who are less than 16 years old. The Rodeo will be held under the auspices of Better Fishing, Inc., a nation-wide organization devoted to the promotion of an interest in fishing among children. Better Fishing initiates a program of training for the children for a period during the summer under the guidance of experienced fishermen during which they are taught safety, as well as the elements of the sport. Members of the club will take fishing any child not having such opportunities.

The training period is wound up with the Kids' Fishing Rodeo. Prizes will be distributed for both boys and girls in the various age groups from six to 15 years of age, inclusive. Consolation prizes will also be distributed. First prize to each boy and girl will be a complete fishing outfit furnished through the courtesy of Better Fishing, Inc.

The Rodeo will be a complete program with exhibition casting, fishing, and refreshments. Transportation to and from the Club Pond will be provided from Oak Ridge, Clinton and South Clinton. Needed tackle and bait will be furnished free of charge. Application blanks will be published in the Clinton Courier and The Oak Ridger, or may be obtained from individual club members, or by writing to the Anderson County Sportsmen's Club, Box 39, Clinton, Tenn.

Many Y-12ers are members of the Anderson County Sportsmen's Club and will assist their own and other youngsters of Y-12 parents to take advantage of the fishing offer.

Cards And Athens Will Clash Saturday

Continued from Page 3
 Keller, their old nemesis. In this round Walt Sherrod doubled and scored on Huskisson's single. Loy slapped a long triple to count Huskisson. The Cards' only other threat was in the third when they loaded the bases but were unable to tally.

Robins Win Overtime Game

On the other hand, the Robins got away winging in their opener of the last half of the season, trimming Gus Greene by 4 to 3 in an overtime battle in Oak Ridge. The Robins had to do it the hard way scoring twice in the last inning. Ruby O'Kain was safe on a bobble and swiped second. Helen Brown doubled O'Kain home to tie the score and went to third on another error. Juanita Pitts' fly to right scored Brown with the winning run. Ella Mae Koontz held the opposition to three hits and struck out eight to earn the victory and was backed up by the hitting of Helen Brown and Kay Presley, each with two hits.

Rain forced postponement of games Friday night for the Cards and Bell Ave. Baptists in Knoxville and the Robins at Corryton.

Line scores of games last week follow:

Team	R	H	E
Amvets	000 300 0	— 3	6 2
Cardinals	000 020 0	— 2	6 1
Keller and Shippe. Loy and Seivers.			

Gus Greene	002 000 01	— 3	3 3
Robins	000 001 12	— 4	6 3
Witzel and Morris. Koontz and O'Kain.			

BRITISH SECURITY HIT

In a special feature story by E. F. Tompkins in the New York Journal American it is declared that Congress was wise in withholding atomic secrets from Britain, a country that actually "sent us atomic spies." The article observes that Britain's security "obviously has big rifts in it."

Continued from Page 2

hopes that whoever picked it up will return same . . . L. L. Kile is vacationing for two weeks over in North Carolina.

J. C. Agee, of Transportation, is spending his two weeks off at home in Jacksboro, Tenn. . . C. O. Renner is on a two-week tour around the country . . . Several other fellows from the department and from Buildings and Grounds are vacationing at this time — where, we haven't heard—we hope they are all enjoying themselves.

Briscoe Ivy, of Receiving and Shipping, is spending two weeks at home in Knoxville entertaining his brother and family, who are visiting . . . J. A. Duncan is staying around home in Harriman while vacationing for two weeks.

Nannie Waggoner, of the Laundry, is on a two-week vacation. She is visiting her sister in Indiana and from there they are flying to Seattle, Wash., to visit their step-mother . . . Maude Duncan is enjoying her two-week vacation at home in Briceville . . . Beulah Brown is visiting her brother in Florida this week . . . Congratulations are extended to C. A. McAlister, Jr., a former Y-12er, who is the proud papa of a baby girl born June 29, at the Oak Ridge Hospital—this makes C. A. McAlister, Sr., of the Laundry, six times a grandpa, of which he is very proud . . . The department extends sympathy to Jennings Baird at the recent death of his mother, Mrs. Sylvania Baird, in Elks Valley.

The Personnel Department wishes the best of luck to Virginia Phillips and her husband, Ray, of Uranium Processing, who have terminated to work at Tullahoma, Tenn.

Theira Flood, of Product Processing, and her husband are visiting his parents in Morehead, Ky., this week . . . The department welcomes Mildred Miller back to work after recent hospitalization at Fort Sanders Hospital in Knoxville . . . The best of luck goes to Glenna Smith and her husband who are now living in Memphis while he is attending the University of Tennessee Dental College. . . Jim Donahue and Jess Hammond have returned to work after a week of vacation . . . A welcome goes to Clara Sue Johnson, who is back at work after a recent illness . . . Lissie Reynolds is back at work after a two-week vacation in Florida . . . Margaret Hickey traveled out to Texas and points South while on vacation last week . . . D. E. Holt spent his vacation week in Florida.

The Uranium Processing Department extends get-well wishes to Ann Fleener, who is suffering with a strep throat.

Aw, let's close up shop and go home.

Rides Wanted, Offered

Wanted—Member of car pool from Garden Apts. to Y-12 North Portal, straight day. W. H. Baumann, plant telephone 7216, home telephone 5-4676, Oak Ridge.

Riders Wanted—From South Knoxville, straight day. M. B. Hilton, plant telephone 7653, home telephone 7-1930, Knoxville.

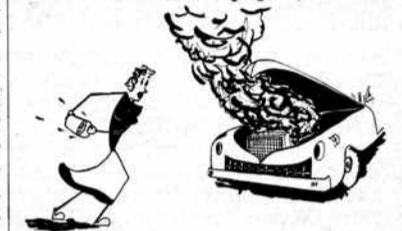

Ride Wanted—From Schubert Road, Rolling Acres subdivision, near Knoxville, to North or East Portal, straight day. M. L. Druschel, plant telephone 7997.

Ride Wanted Or Will Participate In Car Pool—From North Hills section of Knoxville, straight day. Austin Read, plant telephone 7562, home telephone 3-8983, Knoxville.

Ride Wanted—From 211 North Broadway, Knoxville, to East Portal, straight day. Thelma Carnes, plant telephone 7363, home telephone 4-5677, Knoxville.

Wags In Lab Even Get Fun Out Of Blaze

Maybe the editor of The Bulletin is unappreciative of verse — better or worse — so not many poems of any kind have appeared in print. However, it is not the editor's appreciation, or lack of it, for poetry—it is mostly a matter of space that has discouraged the use of verse in the paper.

But last week some of the wags down in the Analytical Laboratory broke out in verse and cartoon artistry to turn a routine mishap to an automobile into a news epic. So, accrediting the output to author and artist A. Nonny Mous—here's the contribution. The subject matter and victim of the accident that brought about the whole business—Kay Sideris.

K-oula, we that love you, think that you're the berries.

A-lthough you're hot stuff, kid,

Y-ou should be less incendiary.

S-plurge again, hit the car lots, he who hesitates is lost.

I-f you buy another Dodge

D-on't forget the holocaust.

E-even though you'll greet this news with no elation,

R-eally, Kay, it's something to remember—

I- and the American Automobile Association

S-ays, "Here's to you, our only charter ember."

Dodgers Book Good Coming Attractions

The Y-12 Dodgers have announced a couple of good attractions for baseball fans of the plant, scheduling the Cleveland, Tenn., Indians for Saturday night, July 11 and the Knox Tigers for next Wednesday night, July 15. Both games will be played at the Gamble Valley ball orchard, starting at 7 o'clock.

The Dodgers dropped a close 10 to 9 decision to the Oak Ridge Bombers last week, the Bombers blasting two runs across in the final inning for the win. Six errors by the Dodgers were costly. Bob Mosley hit two triples for the losers.

The Dodgers broke even in two other games, beating the Bearden nine by 6 to 5 and then losing their first game of the season to the Cleveland (Tenn.) Indians by 9 to 4. Bob Mosley fanned 19 Bearden hitters and blasted a long ball in the eighth to score three runs. He weakened a bit in the ninth to allow three runs but held on for the victory. Swan led the Y-12 hitters with a triple and a single.

The Dodgers gave the Cleveland Indians a rough time as they jumped into a three-run lead in the first inning but the pressure got a little heavy and the Indians iced the contest, scoring three in the third and extending their lead in the later innings. Faulkner and Johnson led Y-12 in hitting with three bingles each.

Team	R	H	E
Dodgers	300 000 001	— 4	10 5
Cleveland	103 011 30x	— 9	14 2
Henley and Johnson. Phillips and Bolden.			

Bearden	010 000 103	— 5	6 2
Dodgers	100 002 03x	— 6	9 3
Pees and Pinkley. Mosley and Coleman.			

Dodgers	101 241 0	— 9	8 6
Bombers	310 121 2	— 10	12 2
Faulkner, Mosley (5) and Johnson. Tate and Lee, Gerl (3).			

Seven innings by agreement.
