

# Joint NPO/CNS Safety Culture Sustainment Best Practices Workshop

# Autumn Safety Tips

Integrity

Trust

Respect

Teamwork

## Home

- Service your furnace
- Clean your chimney to confirm it is free of debris and creosote (i.e., brown/black flammable tar deposited from smoke on chimney walls)
- Exercise extreme caution if you use candles
- Change smoke alarm batteries

## Driving

- Be aware of poor visibility and keep your windshield clean
- Watch for children and animals (e.g., deer)
- Slow down on wet pavement
- Be prepared for bright sunlight

## Workplace

- Keep your eyes on the path
- Wear the appropriate shoes
- Avoid going to work when you get sick
- Report unsafe conditions to your supervisor
